Project Description

Construction of a 6-foot sidewalk along the north side of Crowder Road and also the east side of Indian Mound Road. The construction will start approximately 300 feet east of North Monroe Road (US Highway 27)/Crowder Road intersection and continue to the boat ramp area at Lake Jackson. Also,sidewalk construction along the east side of Indian Mound Road from the intersection of Crowder Road/Indian Mound Road to the Indian Mound Park area.

This construction of sidewalk project will involve some drainage Improvements which will include the construction of underground storm structures, storm pipes,concrete ditch, and sodded swales.

Proposed Improvements

- Drainage Improvement
- Provide a conveyance system to collect Stormwater
- Swales Modification
