

Senior Accountant

City of Tallahassee, BluePrint Intergovernmental Agency

Salary: \$45,676.80 - \$105,019.20/annually

Hiring Rate will generally not exceed \$80,142.40/annually

This is advanced professional accounting work of the highest level involving the financial, accounting, and financial systems activities. Work extends from maintenance of accounting and auditing records; to preparing interim, annual, and interpretive financial reports and analyses; to grant administration; to financial systems development, maintenance, operation, or control; to interacting with departments or divisions concerning various financial, operational, and control issues. Work is performed under the general administrative direction of a technical superior and is reviewed through conferences, reports, observation, and by results obtained.

Minimum Training and Experience:

Possession of a bachelor's degree in accounting, finance, or a related field; and four years of professional experience in municipal, county, airport or utility accounting and finance or cost accounting, two years of which must have been in a senior or lead worker capacity; or two years of experience as Accountant III with the City; or four years of performing independent audits of a municipality, county or utility with an operating budget greater than \$50,000,000, two years of which must have been spent coordinating or working in a lead capacity in performing the audits; or an equivalent combination of training and experience. A master's degree in accounting, finance, or a related field or possession of a CPA or CMA certificate may be substituted for one year of the required experience.

CLOSING DATE: April 27, 2018

Must submit a City of Tallahassee application by date designated above. Visit <http://www.talgov.com>. Please follow application instructions precisely.
