Project Description

Proposed Improvements

Eight-foot sidewalk on the south side of Lafayette Street from the east side of Seminole Drive to Winchester Lane excluding the intersection at Lafayette Street and Magnolia Drive because the intersection improvements at this location have been completed as a separate Capital Improvement project.

Adding turn lanes at three locations on the east side of Magnolia Drive to enhance safety and facilitate the turning movements to the access road and businesses.

Landscaping

Stormwater Drainage System associated with the sidewalk reconstruction and turn lane additions

800 feet of Road Reconstruction from Seminole Drive toward east.
