Project Description

Improve functional operation of the Old St. Augustine Road and Blair Stone Road Intersection.

Proposed Improvements

1. Add eastbound and westbound Old St. Augustine Road right turn lanes.
2. Extend eastbound and westbound Old St. Augustine Road left turn storage capacity.
3. Provide sidewalks along Old St. Augustine Road within project limits.
4. Upgrade span wire signal support system to mast arm support system.
5. Adjust signal timing to improve traffic circulation.
6. Drainage improvements
