Project Description

The proposed improvements for Phase II of the St, Marks Headwaters Greenway consists of the large trail head on Buck Lake Road with paved parking, a permanent restroom facility, playground, and trails with three spans of boardwalk and an observation platform. This is a continuation of Phase I which constructed a trail head on Baum Road with pervious pavement parking, picnic shelters, information kiosk, horse trailer parking and 3 miles of trails.

Proposed Improvements

- Large Paved Parking with ADA accessible space
- Restroom Building
- 3 - 12ft x 12ft Picnic Pavilions
- 1 - 20ft x 28ft Picnic Pavilion
- Nature-based Playground Area
- Bicycle rack & repair station
- Informational Kiosk
- 6 miles of 12-ft wide multi-use trails with wooden benches
- EV Charging Stations
- 600-ft of wooden boardwalk and observation platform
- Pedestrian Bridge
