Project Description

This project is the construction of a 6-foot Safe Route to School Sidewalk along the north side of Blountstown Highway beginning from east of Williams Landing Road to the existing sidewalk east of Fort Braden Elementary School and also on the south side starting from Sir Richard Road to the existing Crosswalk just east of Merry Robin Road.

This project will also involve the construction of an 8-foot boardwalk along the north side of the highway.

Proposed Improvements

- Add additional sign heads for the crosswalk
- Installing a Crosswalk
- Drainage Improvement
