PREPAREDNESS IS KEY FOR HURRICANE SEASON

June marks the beginning of the 2012 hurricane season and Leon County wants residents to be prepared. The annual Hurricane Survival Guide, which has been distributed in local and regional publications and is available at www.HaveAHurricanePlan.com, will help residents make important decisions before and after a storm.

INTERESTED IN SERVING ON A CITIZEN ADVISORY COMMITTEE?

Citizen participation, by way of community input, advice, and/or recommendations regarding matters brought before the Board of County Commissioners for approval, is important in developing Leon County's programs/policies and in providing quality public services to the community.

Currently, applications are being accepted for the appointment of four citizens to the recently established Tallahassee Sports Council. Applicants would need to demonstrate experience and interest in aspects of sports within Leon County. - ◆ Two members of the Water Resources Committee (*Represent one of four interest groups: conservation environment, legal/planning, real estate/economic development, boating/fishing*)
