## LEROY COLLINS LEON COUNTY PUBLIC LIBRARY

Inspiring a Love of Reading and a Life of Learning

### Display Your Art at the Library

Did you know that local artists can display their work at the library? The County Main Library features a 30x5 foot wall where you can display paintings and photographs. There are also two display cases just right for pottery, ceramics, and collectibles, and a smaller art wall in the Youth Services area. Four of the Leon County Library branches have display cases as well. Local artists may contact the Leon County if they are interested in displaying their art for the thousands of patrons that visit the library every day. Please contact Scott Joyner at [JoynerS@LeonCountyFL.gov](mailto:JoynerS@LeonCountyFL.gov) or (850) 606-2614 for details.

### Stargaze with Telescopes from the Library

Leon County received more telescopes to allow patrons to stargaze this summer. These easy to use telescopes can be checked out for a week at a time and come with instructions, lenses, and a monthly star map to point you in the right direction. The program is a great activity for the entire family!

Please check our website, [www.LeonCountyLibrary.org](http://www.LeonCountyLibrary.org), or call any branch for more details.
