Notes for Agenda Item #1

Leon County Board of County Commissioners

Agenda Item #1

September 20, 2022

To:	Honorable Chairman and Members of the Board
From:	Vincent S. Long, County Administrator
Title:	Second and Final Public Hearing for Adoption of the FY 2022/2023 Final Millage Rates and Final Budgets

Review and Approval:	Vincent S. Long, County Administrator
Department/ Division Review:	Alan Rosenzweig, Deputy County Administrator Scott Ross, Director, Office of Financial Stewardship
Lead Staff/ Project Team:	Roshaunda Bradley, Budget Manager Michelle Tipton, Senior Management & Budget Analyst Miranda Hernandez, Management & Budget Analyst

Statement of Issue:

This item recommends the Board conduct the second of two public hearings required by Florida Statutes for the adoption of the Leon County FY 2022/2023 final millage rates and budgets. Maintaining the same millage rate for the eleventh consecutive year, and the overall 8.1% increase in the budget, reflects the Board policy direction provided throughout the budget development process and the continuous efforts by staff to identify and implement significant cost avoidances and savings.

Fiscal Impact:

This item has a fiscal impact. If adopted, the Leon County FY 2022/2023 final budget is \$317,904,222; this total includes the Emergency Medical Services budget of \$26,852,050.

Staff Recommendation:

Option #1:	Adopt, via Resolution, the final FY 2022/2023 Countywide millage rate of 8.3144 mills (Attachment #1).
Option #2:	Adopt, via Resolution, the final FY 2022/2023 Countywide budget (Attachment #2).
Option #3:	Adopt, via Resolution, the final FY 2022/2023 Emergency Medical Services MSTU millage rate of 0.5000 mills (Attachment #3).
Option #4:	Adopt, via Resolution, the final FY 2022/2023 Emergency Medical Services MSTU budget (Attachment #4).

Report and Discussion

Background:

This item recommends the Board conduct the second of two public hearings required by Florida Statutes for the adoption of the Leon County FY 2022/2023 final millage rates and budgets.

Pursuant to Sections 129.03 and 200.065, Florida Statutes, the County Property Appraiser certified to the County Budget Officer the taxable value against which taxes may be levied in the entire County and in each district in the County in which taxes are authorized by law to be levied by the Board. The certification of property values provided this year were \$21,376,953,368, an increase of \$1.825 billion or 9.33% more than the previous year. In preparing the tentative budgets, this certified figure was used as the basis for estimating the millage rates required to be levied.

At its July 12, 2022 meeting, the Board approved and adopted the 8.3144 Countywide and 0.5000 Emergency Medical Services Municipal Services Taxing Unit (MSTU) millage rates for the purposes of the statutory Truth-in-Millage (TRIM) public notification process. These rates cannot be increased, but only decreased during the public hearing.

On August 4, 2022, Leon County Government advised the County Property Appraiser and the County Tax Collector of its proposed millage rates, rolled-back rates, and the date, time, and place at which a public hearing would be held to consider the tentative millage rates and the tentative budgets in accordance with Sections 129.03 and 200.065, Florida Statutes. Subsequently, the County Property Appraiser used this information in preparing the notice of proposed property taxes pursuant to Section 200.069, Florida Statutes. These notices were then mailed to all respective property owners in Leon County.

On September 13, 2022, in accordance with Section 200.069, Florida Statutes, the Board held a public hearing on the tentative millage rates and tentative budgets. The Board approved tentative millage rates: 8.3144 Countywide and 0.5000 Emergency Medical Services MSTU. These rates cannot be increased, but only decreased during the final public hearing. On Friday, September 16, 2022, the County advertised in a newspaper of general circulation in the County, its intent to adopt final millage rates and budgets for FY 2022/2023 (Attachment #5). A copy of the required advertisement will be provided to the Clerk of Courts and Comptroller at the September 20, 2022, Public Hearing.

Analysis:

In accordance with Sections 129.03 and 200.065, Florida Statutes, after discussion and public comment regarding the final millage rates and budgets, the Board is required to adopt its final millage rates prior to adopting its final budget. The County's tentative aggregate millage rate was set by the Board at its July 12, 2022 meeting and confirmed at the September 13, 2022 public hearing. The rate was set above the rolled-back rate and less than the majority vote maximum millage rate. This allows for the statutory voting threshold of a simple majority vote for adopting the final budget.

Title: Second and Final Public Hearing for Adoption of the FY 2022/2023 Final Millage Rates and Final BudgetsSeptember 20, 2022Page 3

The proposed FY 2022/2023 County tentative aggregate millage rate of 8.8144 (Countywide – 8.3144 and EMS - 0.5000) was maintained at the same level as the previous year's aggregate millage rate. The proposed aggregate millage rate of 8.8144 is 4.86% more than the rolled-back rate of 8.4060 (the rate the County can levy to collect the same property tax revenue as the prior year).

Options #1 through #4 need to be voted on separately and in the order presented. Florida Statutes require the Board to address the millage rates before addressing the associated budgets.

Options:

- 1. Adopt, via Resolution, the final FY 2022/2023 Countywide millage rate of 8.3144 mills (Attachment #1).
- 2. Adopt, via Resolution, the final FY 2022/2023 Countywide budget (Attachment #2).
- 3. Adopt, via Resolution, the final FY 2022/2023 Emergency Medical Services MSTU millage rate of 0.5000 mills (Attachment #3).
- 4. Adopt, via Resolution, the final FY 2022/2023 Emergency Medical Services MSTU budget (Attachment #4).
- 5. Board direction.

Recommendation:

Options #1, #2, #3 and #4

Attachments:

- 1. Resolution adopting final FY 2022/2023 Countywide millage rate
- 2. Resolution adopting final FY 2022/2023 Countywide budget

Seneral Fund (001)

Fund Type: General Fund

The General Fund is the general operating fund of the County established by F.S. 129.02(1). Major revenue sources for the County's General Fund include proceeds from ad valorem and other taxes, charges for services, fees, and other miscellaneous revenues. The General Fund is used to account for financial resources and expenditures of general government (except those required to be accounted for in another fund) such as libraries, management information systems, facilities management, etc.

Notes:

The Leon County budget is balanced without increasing the current 8.3144 millage rate. For FY 2023 property values increased by 9.33%, providing an additional \$14.41 million in property tax revenue. The property tax growth rate increased from the previous year's growth rate of 4.05%. The higher growth in property valuations is related to a recovering economy for commercial property, new building construction, and a Save-Our-Homes valuation cap of 3% compared to 1.4% last year. Property taxes growth was offset by overall inflationary increases, increases in personnel costs for retirement, health care budgeted at 6.0%, and funding for 5% raises for all employees, including Constitutional Officers; inflationary costs for contractual services, fuel, and materials and supplies; and increased support for Emergency Medical Services (EMS) to avoid an increase to the EMS MSTU millage rate, which was maintained at 0.5 mills (see fund 135).

In FY 2022, as part of the federal government's economic support to assist state and local governments, Leon County received \$57.02 million in American Rescue Plan Act (ARPA) funding, which encouraged local governments to use a portion on revenue loss recovery. For FY 2023, the Leon County revenue loss is calculated at \$8.91 million. Of the \$8.91 million, \$2.8 million of the ARPA funding is used to support general government services.

In addition, \$6.16 million in ARPA loss revenue recovery funding was allocated in FY 2023 to support the capital program. To ensure some capital projects are not delayed due to current supply chain difficulties, especially with vehicles and construction materials, \$5.84 million in planned ARPA funding was appropriated in FY 2022. As a result, the total general fund transfer to the capital fund (Fund 305) is \$8.18 million (\$7.15 million coming from the general fund and \$1.03 million from the Municipal Services Fund). This is a increase from the \$5.0 million general revenue transferred in FY 2022. If ARPA funds were not available some capital projects would have been reduced and/or eliminated.

Due to the use of ARPA funding, increased property tax revenue and constraining expenditures to the greatest extent possible, the use of general fund balance for FY 2023 is \$1.23 million, an increase of \$428,874 from FY 2022 but less than the \$1.76 million originally planned in conjunction with the adoption of the FY 2022 budget. General fund balance use for FY 2024 is projected to be zero due to the anticipated availability of \$2.15 million in additional ARPA revenue loss recovery funds. Outyears reflect maintaining the millage rate at the existing 8.3144, and increased property values providing the necessary revenue growth to fund increases in operational expenses.

Notes:

The Supervisor of Elections budget varies year to year depending on the election cycles. Funding for the Supervisor of Elections increases for Presidential Preference Primary elections cycles and decreases in general election and off year election cycles. While FY 2023 includes a general election cycle, due to the Florida Legislature enacting new voting requirements for absentee ballots and other voting measures, the decline in the Supervisor of Elections budget was less than originally forecasted.

Fund Type: Special Revenue

The Transportation Trust Fund is a special revenue fund established by F.S. 129.02(2). Major revenue sources for the Transportation Trust Fund include proceeds from local and state gas taxes. Leon County imposes a total of twelve cents in gas taxes. The County Ninth-Cent, Local Option and Second Local Option are local county taxes. Of those, the Local Option and Second Local Option revenues are split 50/50 with the City of Tallahassee. The 20% Surplus, 5th & 6th Cent and Gas Tax Pour-Over Trust are State gas tax revenues. The fund is used to account for resources dedicated and expenditures restricted to the maintenance/construction of roads and bridges.

Notes:

Gasoline taxes are estimated to increase by 8.3% or \$901,699. This is largely due to gas tax collections starting to approach pre-COVID levels as the economy rebounds. The October 2022 State of Florida gas tax holiday will not affect county collections as the State is supplementing this holiday with other State revenues. Additionally, \$1.25 million in fund balance is appropriated to support the continuation of sidewalk and roadway stormwater improvements.

Prior to COVID, gas taxes, which are consumption based (taxes are per gallon, not a percentage of cost), were only slightly increasing year-over-year due to better vehicle fuel efficiencies and an increase in the use of electric vehicles. While gas taxes are just approaching pre-COVID collections they are only expected to increase moderately in outyears. This is largely due to the volatility in the market for crude oil, which has caused gasoline and diesel fuel prices to spike, and the shift in consumers driving more fuel-efficient or electric vehicles.

When originally approved for collection beginning January 2014, the second local option gas tax was split 50/50 for sidewalk projects and general transportation maintenance. In FY 2019, this gas tax was approved for reallocation to stormwater projects for two years (FY 2020 and FY 2021) to fix chronic flooding problems on county roads. However, in the FY 2021 budget, due to COVID and subsequent budget balancing strategies for FY 2021, sidewalk funding was suspended, and transportation and stormwater funding were reduced with sidewalk funding being budgeted solely from Sales Tax Extension (352) funds. The second local option gas tax returned to being split 50/50 between sidewalks and transportation maintenance in FY 2022.

In FY 2021, Leon County received \$57.02 million in America Rescue Plan Act (ARPA) funding which allowed for local governments to use of a portion on revenue loss recovery. As part of the FY 2022 budget process, the Board allocated \$2.7 million in revenue loss recovery funding to the Transportation Capital Fund for critical road/flood projects delayed because of the pandemic including Baum Road, Ben Boulevard, Miccosukee Road Bridge Replacement and Maylor Road.

For FY 2023, the transfer to the Transportation Capital fund increased from \$2.01 million in FY 2022 to \$2.8 million for the FY 2023 Tentative Budget. Additionally, in support of Strategic Initiative #2022-19, a four person Litter Crew was added to enhance roadside litter debris removal.

Fine and Forfeiture (110)

Fund Type: Special Revenue

The Fine and Forfeiture Fund is a special revenue fund established by F.S. 129.02(3) and F.S. 142.01. Major revenue sources for the County Fine and Forfeiture Fund include proceeds from ad valorem taxes and other miscellaneous revenues. The fund is used to account for revenues collected in support of and expenditures dedicated to criminal prosecution, court operations, and operations of the Sheriff's Department.

Notes:

The County maintained the county-wide millage rate of 8.3144 for FY 2023. Additional information regarding this levy for recurring operating expenditures is located on the general fund page (Fund 001).

The largest expenditure appropriations in this fund are the Sheriff Law Enforcement and Detention budgets. The overall increase to the Sheriff's budget is 9.5% or \$8.18 million. In addition to normal personnel costs increases, the budget includes the implementation of a new compensation plan to be completed over the next two fiscal years. The pay plan will accomplish competitive pay adjustments between Detention and Law Enforcement as well as increase the starting pay for sworn staff to \$50,000. The Sheriff's contractual services increased over \$1.8 million largely due to the increased cost of providing inmate medical, dental, and mental health services.

Other budget increases include personnel costs related to the Consolidated Dispatch Agency (CDA), of which the County pays 33% per the interlocal CDA agreement, and the County's statutory required payment to the State Department of Juvenile Justice.

Fund Type: Special Revenue

The Probation Services Fund is a special revenue fund established in support of the administration of County Probation programs. Major revenue sources for the Probation Services Fund include fees related to pre-trial costs, other probation related services, and a transfer from the General Fund. The fund is used to account for resources and expenditures related to the alternative Community Service Work Program, the Pre-trial Release Program, urinalysis testing fees and other County Probation programs and services.

Notes:

The FY 2023 Probation Services revenues are estimated to be slightly higher than FY 2022 due to the courts resuming normal sentencing after the COVID pandemic, however the fund continues to see a greater reliance on general revenue to support the required services. For FY 2023, the budget includes a \$3.52 million general revenue subsidy to the fund. The general revenue subsidy is anticipated to increase to \$3.9 million by FY 2027 due to revenues remaining relatively flat and continuing increases in program expenditures.

The increase in FY 2023 expenditures is due in part to the addition of two Probation/Pretrial Officers to assist with the increased number of clients assigned by the Courts to the Supervised Pretrial Release Program, approved by the Board at the March 2022 Leon County Detention Facility Population Management Workshop.

The FY 2023 Drug Court revenues are estimated to be lower than FY 2022 but consistent with revenue trends for court related programs since the COVID pandemic. Available Drug Abuse Trust fund balance is used to support the program in FY 2023 and FY 2024. The outyears reflect a deficit in supporting program expenditures as fund balance will be depleted in FY 2024. A reduction in services may need to be considered if revenues do not increase to support the program.

>>>> Judicial Programs (117)

Fund Type: Special Revenue

On June 8th, 2004, the Board of County Commissioners authorized the imposition of a \$65.00 criminal violation court costs. In accordance with Florida Statutes and the enabling County Ordinance, the proceeds from the \$65.00 fine are to be used as follows: 25% to supplement State funding requirements related to the implementation of a Statewide court system or to pay for local requirements; 25% to be used to fund legal aid programs; 25% to be used to fund law library personnel and materials; and 25% to be used to fund alternative juvenile programs. At the end of the fiscal year, any fund balance remaining shall be utilized in subsequent fiscal years for the funding of either the State or local requirements.

Increased expenditures allocated to court required programs are necessitating the use of accumulated fund balance to support these programs. The current use of fund balance is within policy limits. However, the outyears show only nominal increases in revenue and a continued use of fund balance to support programs. A reduction in programs may need to be considered if revenues do not increase to support these discrete programs.

Notes:

In February 2022, the Board adopted a revised fee schedule based on a 2021 building plan review and inspections fee study. The study found that overall permit costs were commensurate with the services provided but recommended a revenue-neutral transition to a flat fee structure and the implementation of a technology fee to support demands for greater digital services.

For FY 2023, revenues reflect a 3% decrease from FY 2022 based on a stabilization of growth in permitting activity following the low interest rate environment enacted by the Federal Reserve to combat the impacts of the COVID-19 pandemic on the economy. To ensure Building Inspection continues to provide prompt permitting services, \$470,642 in fund balance is budgeted in FY 2023. Outyears reflect a slight increase in use of fund balance as permitting levels are ebbing to a more consistent level.

Notes:

In FY 2023, permit fee revenue is estimated to decrease over FY 2022 reflecting a stabilization of growth in environmental permitting after the low interest rate environment established by the Federal Reserve as a tool to ameliorate the affects of COVID on the economy. Rather than transferring additional general revenue to support DSEM, \$500,000 in fund balance is used to meet service demands. The outyears reflect general fund support increasing incrementally to maintain service levels and is anticipated to increase up to \$2.9 million in FY 2027.

Notes:

In FY 2014, the County implemented the first increase to the stormwater non ad valorem assessment in 23 years from \$20 to \$85 for each single-family equivalent unit. This allowed for the general revenue subsidy to decrease by \$2.5 million. As specified in the adopted ordinance, the current general revenue subsidy covers the cost of the fee discount for low-income seniors, disabled veterans and properties that receive a stormwater credit discount. The remaining general revenue transfer covers the operating deficit in the program. The transfer of \$800,000 from the Transportation Trust fund provides funding for stormwater maintenance activity related to roadways.

The increase in general revenue support in FY 2023 is related to no growth in the non-ad valorem fee due to the issuance of more stormwater credit discounts and increases in program expenditures. These expenses include inflationary costs associated with fuel and road materials and supplies, and personnel costs related to positions included in the market based revisions to the Classification and Pay Plan.

Notes:

The State Housing Initiatives Partnership (SHIP) program allocated \$936,449 for local housing programs to Leon County during the FY 2022 legislative session. The increase in SHIP funding is expected to remain consistent in outyears due to major changes in statutory minimums awarded to jurisdictions.

The FY 2023 budget includes the addition of an Affordable Housing Coordinator position to provide necessary support for the two new program categories (Homeowner and Renter Development) added to the Leon County Housing Assistance Plan (LHAP) in FY 2022, and to ensure audit compliance with the State programs.

) Grants (125)

Fund Type: Special Revenue

The Grants Fund is a special revenue fund established to account for grants that are consistently received on an annual basis. The fund also accounts for other restricted revenues such as Friends of the Library and the Driver Education funding. As new grants are received during the fiscal year, appropriate action is taken by the Board of County Commissioners to realize these additional grant proceeds into the budget. This fund includes the corresponding County matching funds for the various grants.

Notes:

Grant program expenditures for Emergency Management and the Storage Tank Program are greater than the grant allocations, which require increasing the general revenue transfer to maintain program service levels. Since 2012, the Board has allocated additional funding for the Storage Tank Program to ensure all local petroleum facilities are inspected on an annual basis, which is in excess of the Florida Department of Environmental Protection's 50% requirement.

As allowed by the Dori Slosberg Driver Education Safety Act, the Board amended the Leon County Code of Laws related to civil traffic penalties at the January 28, 2020 meeting and increased the civil traffic penalty from \$3 to \$5 to support high school driver education programs. The additional funding supports Leon County Schools' Drivers Education Program.

>>>> Non-Countywide General Revenue (126)

Fund Type: Special Revenue

The Non County wide General Revenue Fund is a special revenue fund originally established as part of the FY 2002 budget process. Prior to FY 2002, the 1/2 Cent Sales Tax, State Revenue Sharing, and other unrestricted resources were directly budgeted into the specific funds they supported. Beginning in FY 2002, the revenues were brought into this fund and budgetary transfers were established to the funds supported by these revenues. This approach allows for the entire revenue to be shown in one place and all funds being supported to be similarly reflected. These revenues are not deposited directly into the General Fund in order to discretely show support for activities not eligible for Countywide property tax revenue.

Notes:

The State Shared and ½ Cent Sales Tax revenues have rebounded from the precipitous decline in FY 2020 and are estimated to generate an additional \$2.54 million from the FY 2022 budget.

Effective July 1, 2021, internet sales retailers and marketplace providers with no physical presence in Florida were required to collect the Florida sales tax on sales of taxable items delivered to purchasers in Florida if the out-of-state retailer or marketplace provider makes a substantial number of sales into Florida.

The Communication Services Tax Statewide (CST) has been in decline the past five years due to a decline in cable services as consumers "cord cut" in favor of streaming, and certain demographics and small businesses abandoning telephone landlines; however, FY 2023 revenues are expected to remain relatively level, increasing by a modest \$30,000.

>>> 9-1-1 Emergency Communications (130)

Fund Type: Special Revenue

The 9-1-1 Emergency Communications Fund is a special revenue fund established in accordance with the Florida Emergency Telephone Act F.S. 365.171. Major revenue sources of the 9-1-1 Emergency Communications Fund include proceeds from the wireless Enhanced 9-1-1 fee (50 cents/month per service subscriber) pursuant to F.S. 365.172 - 365.173 and the 9-1-1 fee (50 cents/month per service line) pursuant to F.S. 365.171(13). The fund is used to account for resources and expenditures associated with 9-1-1 emergency services within Leon County.

Notes:

For FY 2023, revenue for this fund is projected to increase slightly. This trend is anticipated to continue in outyears until a base level of landlines is reached as consumers continue to switch from landlines to wireless devices. The fund reflects a transfer from the 9-1-1 Capital Project fund to maintain current service levels.

Radio Communication Systems (131)

Fund Type: Special Revenue

In accordance with F.S. 318.21(10) \$12.50 from each moving traffic violation shall be distributed and paid monthly via the Clerk of Court's fine distribution system. The fund is used to account for resources and expenditures associated with Leon County's participation in an intergovernmental radio communications programs that have been previously approved by the State of Florida, Department of Management Services. This program for Leon County is the 800 MHZ radio system.

Notes:

In May 2021, Leon County received \$57.02 million in ARPA funding. Accordingly, as part of the FY 2022 budget process, the Board approved a multi-year ARPA expenditure plan. The plan provided funding to address community nonprofit and human services assistance, public health support, targeted support for the local business community, and funding to complete major waste water projects.

The expenditure plan also allocated \$25.5 million in ARPA revenue replacement to mitigate revenue losses incurred by the County due to the pandemic. For FY 2022, the Leon County revenue loss was calculated at \$6.4 million, of which \$2.8 million was used to support general government services and \$3.6 million was allocated to support the capital program.

For FY 2023, Leon County revenue loss is calculated at \$8.91 million. Of the \$8.91 million, \$2.8 million was transferred to the General Fund (Fund 001) to support general government services.

In addition, \$6.16 million in ARPA loss revenue recovery was allocated in FY 2023 to support the capital program. To ensure some capital projects are not delayed due to current supply chain difficulties, especially with vehicles and construction materials, \$5.84 million in ARPA funding was appropriated in FY 2022 and the remaining \$318,090 was transferred to the Capital Improvement Fund (Fund 305).

Municipal Services (140)

Fund Type: Special Revenue

The Municipal Services Fund is a special revenue fund established in support of various municipal services provided in the unincorporated area of Leon County. These services include: parks and recreation, and animal control. The major revenue sources for the Municipal Services Fund are transfers from the Non-Restricted Revenue Fund (i.e. State revenue sharing, the local cent sales tax, etc.) and the Public Services Tax.

Notes:

For FY 2023, Public Services Tax (PST) revenues are projected to increase by \$167,000 or 1.8%. With more residents at home using utilities, the PST was not affected by COVID stay-at-home orders like other sources of revenue such as gas taxes and tourism taxes. Expense increases to the fund are primarily related to inflationary operating costs of trail, playground and ballfield maintenance, increase acreage for mowing contracts, and tree trimming on greenway and park trails.

The transfer to Fund 305 (the Capital Improvement Fund) was reduced by \$358,258 from the previous fiscal year (\$1.39 million in FY 2022 to \$1.03 million in FY 2023). This is part of the total \$8.18 million general revenue transfer to the capital fund. The remaining transfer is from the General Fund.

The \$500,000 transfer of revenue from the Sales Tax Extension Joint Project Agreement Fund (Fund 352) assists in funding the maintenance of parks constructed with previous local infrastructure sales tax dollars. This is a level transfer that will occur until 2039.

Fund Type: Special Revenue

The Fire Services Fund is a special revenue fund established in FY 2010 as a method to fund enhanced fire protection services in the unincorporated area of Leon County. This included adding another fire fighter at unincorporated area fire stations. The funding is derived from a fire service fee levied on single family, commercial and governmental properties in the unincorporated area of the County. Homes are charged a flat rate, and commercial and governmental properties pay per square foot. Square footage associated with the worship area of a church is excluded from the fee. In addition, the County provides support to the Volunteer Fire Departments.

Notes:

With the implementation of the fire service fee the City initially billed all affected properties in the unincorporated area. In FY 2010, the Board approved placing this assessment on the tax bill for property owners who did not pay the fee via the established billing system. As reflected above direct billing by the City of Tallahassee is the primary source for the collection for this fee, but non-ad valorem assessment collections continue to increase as property owners become delinquent in their payments or choose to have their fee placed on the tax bill. At the May 12, 2015 meeting, the Board approved implementing the current fire service fee rates as recommended in an updated rate study.

As part of the adopted FY 2020 long-term fiscal plan, rather than increasing fire service rescue fees, debt service savings were planned to pay for the increased cost of fire rescue services. Due to the budgetary impacts of COVID, the City and County deferred a fire rescue service fee study and increasing fees in FY 2021.

As part of the FY 2022 budget process, the Board authorized the County Administrator to negotiate an amendment to the County/City Fire Services Interlocal Agreement. The amendment authorized increased payments to the City for fire services in FY 2022 and FY 2023. The increased payments are funded from general revenue debt service savings: \$1.4 million in FY 2022 and \$1.6 million in FY 2023. This approach allows fire service rescue fees charged to unincorporated residents to remain unchanged. In addition, the Amended Interlocal Agreement requires a new joint fire rescue services fee study in FY 2023. The new rate study is underway and will be presented to the Board for consideration early in the FY 2024 budget development process.

Fund Type: Special Revenue

The Tourism Fund is a special revenue fund established as the repository for the collection of the 5% Local Option Tourist Development Tax on transient lodging sales in Leon County (bed tax). The Tourist Development Council administers the expenditure of these revenues, as limited by law, to tourist development initiatives. Annual reserves for contingencies are supported by available fund balance. This amount will be determined on an annual basis as part of the budget process.

Notes:

The fiscal impact of COVID on Tourism was significant. Tourist Development Tax (TDT) revenue declined by 33% in FY 2020 after the onset of COVID restrictions in April 2020. With the removal of stay-at-home orders and the availability of vaccines, TDT collection began increasing in March 2021. At the June 8, 2021 meeting, the Board allocated \$750,000 in American Rescue Plan Act (ARPA) revenue loss replacement funding to Tourism for marketing and advertising activities.

Based on current activity the TDT forecast shows TDT revenue increasing by 48% in FY 2022. This increase will moderate in FY 2023 as tourism travel returns to normal levels of activity. This increase in revenue allows for a limited use of fund balance for one-time expenses related to marketing, planning, and hosting the Leon County/Tallahassee bicentennial celebration in FY 2024.

Other expenditure increases reflect a restoration of many of the COVID related budget reductions made in FY 2020 and FY 2021, including: advertising and marketing; more funding for the COCA cultural grant programs; and grants for Signature and Legacy Events. The FY 2023 budget also includes the addition of a Events & Grants Manager position to provide coordination and management of sponsorship opportunities, and a Graphics Web Design Lead position to ensure relevant and timely content for the Tourism website and social media applications.

>>>> County Accepted Roadways and Drainage Systems Program (162)

Fund Type: Special Revenue

The County Accepted Roadways and Drainage Systems Program (CARDS) Fund is a special revenue fund established to account for the repayment of special assessments associated with the County's CARDS program (formerly the 2/3 2/3's paving program). The revenue received into this fund is collected as a non ad valorem special assessment on the annual tax bill. These revenues are repaying the County for loans utilized to construct special assessment paving projects. The revenues are transferred annually to the General Fund (001).

Notes:

This fund will continue to see a decline in revenue as previous special assessments are paid in full and the lack of new assessments being levied in recent years due to a decline in projects.

Special Assessment - Killearn Lakes Units I and II Sewer (164)

Fund Type: Special Revenue

This Special Assessment Fund was established to account for revenues and expenditures associated with the special assessment levied on property owners in Killearn Lakes Units I and II to pay for the costs associated with maintaining the new City of Tallahassee sewer service distribution system completed in October 2006. The assessment is collected and remitted to the City of Tallahassee in accordance with an interlocal agreement with the City of Tallahassee. The charge levied to each parcel within Units I and II is \$179.43.

>>>> County Government Annex (165)

Fund Type: Special Revenue

On June 26, 2003, the Board of County Commissioners purchased the County Government Annex on Calhoun Street. The operating fund will be used to facilitate and account for the ongoing operations of this building. Revenues associated with this fund are primarily generated by leases associated with the tenants of the building. Expenses associated with this fund are comprised of necessities required in the upkeep, maintenance, and management of the facility.

Notes:

Funding is allocated for general building maintenance and repairs including renovations, mechanical and electrical upgrades and safety improvements at the Leon County Courthouse Annex. Specific project details are located in the Capital Improvements Project Section. In addition, FY 2023 and outyear transfers reflect utility payments to the General Fund (001).

The decline in lease revenue is due to the programmed expiration of leases, which may or may not be extended or renegotiated. Revenue is only contemplated when a lease is active. FY 2023 and FY 2024 reflect the use of accumulated fund balance to support expenditures. The fund balance is projected to be depleted in FY 2024. If lease activity does not increase expenditure reductions and/or general revenue support may be needed starting in FY 2025.

>>>> Huntington Oaks Plaza (166)

Fund Type: Special Revenue

This fund was established to account for the maintenance of the Huntington Oaks Plaza purchased by the County in FY 2010 for the expansion of the Lake Jackson store front library and the construction of a community center. Revenue from this fund is derived from lease payments from space rentals and are used for maintaining the property.

Notes:

FY 2023 through FY 2025 reflects a steady level of anticipated rents. The expenditure transfers are utility payments to the General Fund (001) for building utilities.

The decline in outyear lease revenue is due to programmed expiration of leases, which may or may not be extended or renegotiated. Revenue is only contemplated when a lease is active. If lease activity does not increase expenditure reductions and/or general revenue support may be needed starting in FY 2026.

>>>> 2017 Capital Improvement Revenue Refinancing (222)

Fund Type: Debt Service

The Debt Series 2014 Fund is a debt service fund established to account for the debt service associated with the refinancing of the non taxable portion of the Capital Improvement Revenue Refunding Bond Series 2005 with a bank loan. The original bond was issued to fully refund the Parks and Recreation Bond Series 1998A, a portion of the Stormwater Bond Series 1997 and a portion of the Capital Improvement Revenue Bond Series 1999. The remaining taxable portion of this bond is accounted for in Fund 220.

Notes:

The Bond Series 2020 Capital Equipment Financing Fund was established in FY 2020 to pay the debt service payment for a new Sheriff helicopter over a six-year term. Funding for the repayment of the debt service is split evenly between the County and the City of Tallahassee. The County bills the City for their half of the debt service payment.

Supervisor of Elections Building (224)

Fund Type: Debt Service

The Bond Series 2021 Fund is a debt service fund for the Supervisor of Elections Voting Operations Center Building. The purchase and building improvements was made from loan proceeds to be paid back over 15 years. The repayment of the loan is established in a debt service fund beginning in FY 2022 to coincide with the first debt service payment due on December 1, 2021.

ESCO Lease (225)

Fund Type: Debt Service

The ESCO Lease Fund is a debt service fund established to account for the debt service associated with the obligations relating to the County's Energy Performance Contract with Energy Savings Group (ESG). This lease was entered into to fund upgrades and replacements of critical building infrastructure at County facilities, including the Detention Center, Courthouse and Sheriff's Administration building relating to the County's Energy Performance Contract. These energy efficiency improvements will offset the cost of the lease. Energy Savings Group will pay any balance on the lease not offset by these energy cost savings.

>>>> Capital Improvements (305)

Fund Type: Capital Projects

The Capital Improvements Fund is a capital project fund established in support of the County's Capital Improvement Program. A major revenue source of the Capital Improvement Fund is a transfer from general revenue dollars. The fund is used to account for resources and expenditures associated with the acquisition or construction of major non-transportation related capital facilities and/or projects other than those financed by Proprietary Funds.

Notes:

The FY 2023 – FY 2027 Capital Improvement Plan is primarily focused on maintaining the County's infrastructure of buildings, roads, stormwater system, parks, information technology and fleet. In FY 2021, as part of the budget balancing strategies implemented in response to revenue losses associated with the COVID-19 pandemic, capital improvement projects were reduced or deferred. This allowed for the reduction in the general revenue transfer to the Capital Improvement Fund (305) from \$7.3 million in FY 2020 to \$5.0 million in FY 2021 and FY 2022. The general revenue transfer in FY 2023 increased to \$8.18 million. Outyears reflect revenues returning to normal growth and the general revenue transfer increasing to \$13 million by FY 2027.

The FY 2023 general capital improvement program is \$8.64 million. In FY 2021 Leon County received \$57.02 million in America Recovery Plan Act (ARPA) funding which allowed for local governments to use of a portion on revenue loss recovery. \$3.6 million of this funding was allocated to the Capital Fund for FY 2022 and another \$6.16 million in FY 2023. Without the ARPA funding, reductions to the capital program would have occurred.

To ensure some capital projects are not delayed due to current supply chain difficulties, especially with vehicles and construction materials, \$5.84 million in ARPA funding was appropriated in FY 2022. This funding will support the purchase of County vehicles and heavy equipment (\$1.22 million), Sheriff Facilities improvements (\$3.62 million), and the Essential Libraries Strategic Initiative (\$1.0 million). The Essential Library Initiative is a process of re-envisioning the Leon County Public Library System to address the changing needs of residents and trends in library use. These funds are for space improvements to the Main Library.

For FY 2023, funding of \$2.4 million is allocated for building infrastructure, roofs, and maintenance repairs and \$1.12 million for parks capital maintenance and improvements. Additionally, the County was approved for a federal FY 2022 appropriation of \$1.6 million for the Lake Henrietta stormwater improvement project. The FY 2023 budget includes \$400,000 for the County's local match.

Fiscal Years FY 2024 - 2026 shows the appropriation of reserves to assist in balancing the budget for each year. These fund balances are in anticipation of moving available general revenue reserves to capital to fund one-time capital projects. A plan for the use of these reserves will be presented as part of the FY 2024 budget process.

>>>> Transportation Improvements (306)

Fund Type: Capital Projects

The Transportation Improvement Fund is a capital project fund established to account for transportation related capital projects. Major revenue sources for the Transportation Improvement Fund include proceeds from local and state gas taxes from the Transportation Trust Fund (106). Leon County imposes a total of twelve cents in gas taxes.

Notes:

When originally approved for collection beginning January 2014, the second local option gas tax was split 50/50 for sidewalk projects and general transportation maintenance. In FY 2019, this gas tax was approved for reallocation to stormwater projects for two years (FY 2020 and FY 2021) to fix chronic flooding problems on county roads. However, in the FY 2021 budget, due to COVID and subsequent budget balancing strategies for FY 2021, sidewalk funding was suspended, and transportation and stormwater funding were reduced with sidewalk funding being budgeted solely from Sales Tax Extension (352) funds. The second local option gas tax returned to being split 50/50 between sidewalks and transportation maintenance projects in FY 2022.

In FY 2021, Leon County received \$57.02 million in America Recovery Plan Act (ARPA) funding which allowed for local governments to use of a portion on revenue loss recovery. As part of the FY 2022 budget process, the Board allocated \$2.7 million of this funding to the Transportation Capital Fund in FY 2021 for critical road/flood projects delayed because of the pandemic including: Baum Road; Ben Boulevard; the Miccosukee Road bridge replacement; and Maylor Road.

Due to national supply shortages, during the FY 2023 budget process the Board appropriated \$1.08 million in Transportation Capital fund balance in FY 2022 for Public Works vehicle and equipment replacements.

For FY 2023, the transfer to the Transportation Capital increased by \$827,052 to support critical stormwater preventative maintenance projects.

Sales Tax (308)

Fund Type: Capital Projects

The Local Option Sales Tax Fund is a capital project fund established in accordance with a 1989 county-wide referendum, and is used to account for resources and expenditures associated with the construction of transportation and jail facility related projects. The Local Government Infrastructure Surtax includes proceeds from a One-Cent Sales Tax on all transactions up to \$5,000. Pursuant to an interlocal agreement with the City of Tallahassee, the revenue generated by the tax will be split between the County and the City. The County's share of the proceeds is equal to 52.84%, and the City's share is equal to 47.16%. The 1989 referendum approved the sales tax levy for a period of fifteen years; however, through a county-wide referendum passed in November 2000, the sales tax was extended for an additional fifteen years (Note: the extended sales tax is accounted for in Fund 309).

The current 1-Cent Local Option Sales Tax expired in 2019. In November 4, 2014, Leon County residents approved a ballot initiative to extend the sales tax for another 20 years until 2039. In FY 2020, two new funds (351 and 352) were established for the new sales tax extension that went into affect on January 1, 2020. Previous projects assigned to this fund were moved to Fund 351. This fund is still open due to the accumulated funds in the intersection and safety improvement project to support the reconstruction of the Blair Stone Road and Old St. Augustine intersection. The project is proceeding with design and right of way acquisition.

Additionally, current interest accrued in the fund is being allocated to support critical maintenance needs at the Sheriff Facilities.

Sales Tax - Extension (309)

Fund Type: Capital Projects

In November of 2000, Leon County residents approved a referendum extending the imposition of the 1 Cent Local Option Sales Tax beginning in FY 2004 for 15 years. The extension commits 80% of the revenues to Blueprint 2000 projects and will be jointly administered and funded by Leon County and the City of Tallahassee. The remaining 20% will be split evenly between the County and the City. The County's share will be used for various road, stormwater and park improvements. The Blueprint 2000 Joint Participation Agreement Revenue supports County projects funded through the County's share of the \$50 million water quality/flooding funding.

Fund Type: Capital Projects

The 9-1-1 Capital Projects Fund was established to support of the capital needs of the emergency communications system. Major revenue sources of the Emergency Communications Fund include proceeds transferred from the 9-1-1 Emergency Communications Fund which includes: wireless Enhanced 9-1 -1 fee (50 cents/month per service subscriber) pursuant to F.S. 365.172 - 365.173; and the 9-1-1 fee (50 cents/month per service line) pursuant to F.S. 365.171(13). The fund is used to account for resources and expenditures associated with capital projects related to the provision of 9-1-1 emergency services.

Sales Tax - Extension 2020 (351)

Fund Type: Capital Projects

On November of 2014, Leon County residents approved a referendum providing a second extension of the 1998 imposed 1-Cent Local Option Sales Tax beginning in FY 2020 for 20 years. The extension commits 80% of the revenues for Blueprint 2020 infrastructure projects, Blueprint 2020 Economic Development Programs, and Livable Infrastructure For Everyone (L.I.F.E.) projects. The remaining 20% is split evenly between the County and the City. The County's 10% share, accounted for in this fund, will be used for transportation resurfacing and intersection improvement projects and other statutorily authorized uses approved by the County Commission.

Notes:

This fund was established to account for the County's 10% share of the sales tax extension starting January 1, 2020. The first year of collections was affected by COVID and the associated drop in consumer spending starting in March 2020. The FY 2023 revenue estimates reflect sales tax collections growing from FY 2021 and FY 2022 as the economy continues to rebound and consumer spending increases. Outyear projections reflect slower economic growth as consumer spending returns to more normal levels.

The 10% share supports the County's annual road resurfacing, OCGM maintenance and intersection/safety capital projects.

Sales Tax - Extension 2020 JPA Agreement (352)

Fund Type: Capital Projects

In November 2014, Leon County residents approved a referendum providing a second extension of the 1-Cent Local Option Sales Tax beginning in FY 2020 for 20 years. The extension commits 80% of the revenues for Blueprint 2020 infrastructure projects, and will be jointly administered and funded by Leon County and the City of Tallahassee. The Blueprint 2020 Joint Participation Agreement Revenue supports County projects funded through the County's share of the sales tax extension. The BP 2020 JPA revenue, accounted for in the fund, will be used for Water Quality and Stormwater, and Sidewalks. The fund also accounts for the 2% portion of the fund dedicated to Liveable Infrastructure For Everyone (L.I.F.E.) projects.

Notes:

In November 4, 2014, Leon County residents approved a ballot initiative to extend the current 1-Cent Local Option Sales Tax for another 20 years until 2039. This fund has been established to account for the 2% sales tax share dedicated to the L.I.F.E. program, and the County's share of the Blueprint JPA revenue.

For FY 2023, Sales Tax Extension revenue estimates show a rebound from the reduction in FY 2021 and FY 2022 due to the impacts the COVID pandemic had on consumer spending. As consumer spending returns to more normal levels, outyear projections reflect slower economic growth. The Blueprint JPA revenue is consistent in FY 2023 and the outyears since this is a lump sum payment from Blueprint specified in the interlocal agreement.

Sales Tax Extension projects in FY 2023 include the Sidewalk program, Water Quality and Stormwater improvements, and L.I.F.E. projects (Rural Road and Safety improvements, Miccosukee Sense of Place, Street Lighting, Boat Landing, and Stormwater and Flood Relief). In addition, the \$500,000 transfer to the Municipal Services Fund (Fund 140) will assist in funding the maintenance of parks constructed with previous local infrastructure sales tax dollars.

Solid Waste (401)

Fund Type: Enterprise

The Solid Waste Fund is an enterprise fund established in support of the County's waste management programs. Major revenue sources for the Solid Waste Operations Fund include the Non-Ad Valorem Assessment, and Transfer Station Tipping Fees. The fund is used to account for resources and expenditures related to the operation of the County Solid Waste Management Facility and the provision of the County Waste Management program.

Notes:

The Solid Waste fund is an enterprise fund and is supported by a non-ad valorem assessment and tipping fees collected at the Transfer Station. During the FY 2020 budget process, the Board adopted a multi-year fiscal plan that reallocates \$4.1 million in FY 2021 debt services savings to avoid future tax and fee increases.

The plan allowed for the elimination of the rural waste center collection fees and avoids the need to raise the non-ad valorem assessment. For FY 2021, the plan called for the reallocation of \$1.11 million in debt service savings to the solid waste fund to support the Rural Waste Service Centers and the recycling contract. For FY 2023, the general revenue transfer increased from \$1.65 million in FY 2022 to \$1.81 million and continues to support recycling, and the rural waste collection centers.

FY 2023 capital funding is included for Solid Waste Facility, Transfer Station and Rural Waste Heavy Equipment Replacements and Transfer Station Improvements.

>>>> Insurance Service (501)

Fund Type: Internal Services

The Insurance Service Fund is an internal service fund established in support of general County operations. Major revenue sources of the Insurance Service Fund include proceeds from interdepartmental billings. The fund is used to account for resources and expenditures associated with assessed premiums, claims, and administration of the County's Risk Management Program related to auto and property liability, workers' compensation, and other types of insurance.

Communications Trust (502)

Fund Type: Internal Services

The Communications Trust Fund is an internal service fund established to account for the resources and expenditures associated with the County's communications network, which includes the telephone and internet systems. The individual departments and agencies are assessed based on the number of internet connections, data lines, and telephone usage within their individual areas.

Notes:

The FY 2023 communications budget reflects an increase in the cost for communication services (phone and internet) primarily associated with outside billing costs for the Constitutional Officers.

>>>> Motor Pool (505)

Fund Type: Internal Services

The Motor Pool Fund is an internal service fund established to account for the costs associated with operating and maintaining the County's fleet of vehicles and heavy equipment. This internal service fund generates its revenues from direct billings by the Fleet Management Department to other departmental users. Fuel purchased by the Fleet Management Department is supplied to departmental users at cost plus a minor surcharge. Repairs and maintenance performed by the Fleet Management Department are charged to users at the costs of parts plus an applicable shop rate.

Notes:

Property valuations increased 9.33% for the FY 2023 budget. During the FY 2020 budget process, the Board adopted a multi-year fiscal plan that allocated \$4.1 million in debt services savings to avoid future tax and fee increases. The plan for the EMS Fund included a general fund transfer of \$2.0 million a year beginning in FY 2021. However, the fund did not need the entire \$2.0 million transfer due to increased property values.

To balance the fund, \$1.79 million in general revenue was transferred to the EMS fund and \$171,185 in EMS fund balance is appropriated. This appropriation of fund balance still leaves the remaining reserves within the reserve policy limits. However, beginning in FY 2024 the projected fund balance use could fall below the reserve policy minimum without changes to other revenue sources. As discussed with the Board during the FY 2023 Budget Workshop, as expenditures are projected to continue to increase faster than revenue growth, funding options to address a long-term EMS fiscal plan will be presented during the FY 2024 budget process.

To maintain current service levels and ensure adequate resources are available for increased demand, the FY 2023 budget includes the addition of one new full-time (24/7) crew for EMS. Additionally, to ensure adequate staffing for all shifts, the budget includes continued funding (\$370,000) for the extra shift incentive and special day stipend pay during critical staffing periods.

Also, eight ambulances are scheduled for purchase in FY 2023, seven planned replacements and an additional ambulance for the new crew. Due to the current one-year lag time in receiving new ambulances, \$2.64 million in EMS fund balance was appropriated in FY 2022 to ensure the County receives the ambulances in FY 2023.
