- Option #4: Adopt, via Resolution, the final FY 2023/2024 Emergency Medical Services MSTU budget (Attachment #4).

## **Report and Discussion**

## **Background:**

This item requests the Board conduct the second of two public hearings required by Florida Statutes for the adoption of the Leon County FY 2023/2024 final budget.

Pursuant to Sections 129.03 and 200.065, Florida Statutes, the County Property Appraiser certified to the County Budget Officer the taxable value against which taxes may be levied in the entire County and in each district in the County in which taxes are authorized by law to be levied by the Board. The certification of property values provided this year were \$23,059,659,483, an increase of \$1.682 billion or 7.87% more than the previous year. In preparing the tentative budgets, this certified figure was used as the basis for estimating the millage rates required to be levied.

At its July 11, 2023 meeting, the Board approved and adopted the 8.3144 Countywide and 0.7500 Emergency Medical Services (EMS) Municipal Services Taxing Unit (MSTU) millage rates for the purposes of the statutory Truth-in-Millage (TRIM) public notification process. These rates cannot be increased, but only decreased during the public hearing.

On August 2, 2023, the County advised the County Property Appraiser and the County Tax Collector of its proposed millage rates, rolled-back rates, and the date, time, and place at which a public hearing would be held to consider the tentative millage rates and the tentative budgets in accordance with Sections 129.03 and 200.065, Florida Statutes. Subsequently, the County Property Appraiser used this information in preparing the notice of proposed property taxes pursuant to Section 200.069, Florida Statutes. These notices were then mailed to all respective property owners in Leon County.

On September 12, 2023, in accordance with Section 200.069, Florida Statutes, the Board held a public hearing on the tentative millage rates and tentative budgets. The Board approved the 8.3144 Countywide and 0.7500 Emergency Medical Services MSTU tentative millage rates. These rates cannot be increased, but only decreased during the final public hearing. On Friday, September 22, 2023, the County will advertise in a newspaper of general circulation in the County, its intent to adopt final millage rates and budgets for FY 2023/2024 (Attachment #5). A copy of the required advertisement will be provided to the Clerk of Courts and Comptroller at the September 26, 2023, Public Hearing.

## <u>Analysis:</u>

In accordance with Sections 129.03 and 200.065, Florida Statutes, after discussion and public comment regarding the final millage rates and budgets, the Board is required to adopt its final millage rates prior to adopting its final budget.

At the July 11, 2023 meeting and confirmed at the September 12, 2023 public hearing, the Board set the Countywide tentative millage rate (8.3144) above the rolled-back rate, and less than the majority vote maximum millage rate. This allows for the statutory voting threshold of *a simple majority vote for adopting the Countywide final millage rate*.

Title: Second and Final Public Hearing for Adoption of the FY 2023/2024 Final Millage Rates and Final BudgetsSeptember 26, 2023Page 3

The EMS MSTU tentative millage rate (0.7500) was set above the rolled-back rate, and above the majority vote maximum millage rate. This requires a statutory voting threshold of a *unanimous vote for adopting the EMS MSTU final millage rate*.

The proposed FY 2023/2024 County tentative aggregate millage rate of 9.0644 (Countywide – 8.3144 and EMS - 0.7500) is 0.2500 higher than the previous year's aggregate millage rate. The proposed aggregate millage rate of 9.0644 is 6.83% more than the rolled-back rate of 8.4848 (the rate the County can levy to collect the same property tax revenue as the prior year).

# *Options #1 through #4 need to be voted on separately and in the order presented. Florida Statutes require the Board to address the millage rates before addressing the associated budgets.*

## **Options:**

- 1. Adopt, via Resolution, the final FY 2023/2024 Countywide millage rate of 8.3144 mills (Attachment #1).

## Seneral Fund (001)

## Fund Type: General Fund

The General Fund is the general operating fund of the County established by F.S. 129.02(1). Major revenue sources for the County's General Fund include proceeds from ad valorem and other taxes, charges for services, fees, and other miscellaneous revenues. The General Fund is used to account for financial resources and expenditures of general government (except those required to be accounted for in another fund) such as libraries, management information systems, facilities management, etc.

#### Notes:

The Leon County budget is balanced without increasing the current 8.3144 millage rate. For FY 2024 property values increased by 7.87%, providing an additional \$13.29 million in property tax revenue. The growth in property valuations for FY 2024 is related to a recovering economy for commercial property, new building construction, and a Save-Our-Homes valuation cap of 3% for the second year in a row. Property taxes growth was offset by overall inflationary increases, increases in personnel costs for retirement, health care budgeted at 6.0%, and funding for 5% raises for all employees, including Constitutional Officers; inflationary costs for contractual services, fuel, and materials and supplies; and increased support for the Supervisor of Elections to conduct the 2024 Presidential Preference Primary.

In FY 2022, as part of the federal government's economic support to assist state and local governments, Leon County received \$57.02 million in American Rescue Plan Act (ARPA) funding, which encouraged local governments to use a portion on revenue loss recovery. This funding was used to support general government services in FY 2022 and FY 2023.

In addition, \$2.15 million in remaining ARPA funding was allocated in FY 2024 to support the capital program. To ensure some capital projects are not delayed due to current supply chain difficulties, especially with vehicles and construction materials, this funding was appropriated in FY 2023. As a result, the total FY 2024 general fund transfer to the capital fund (Fund 305) is \$6.7 million (\$6.1 million coming from the general fund and \$614,622 from the Municipal Services Fund). This is a decrease from the \$8.18 million of general revenue transferred in FY 2023. If ARPA funds were not available some capital projects would have been reduced and/or eliminated.

Due to the County's use of ARPA funding, increased property tax revenue, reduction in Community Redevelopment Area (CRA) payments, elimination of general revenue to support fire and emergency medical services, and constraining expenditures to the greatest extent possible, the use of general fund balance for FY 2024 is \$571,290, a decrease of \$657,584 from FY 2023. Outyears reflect maintaining the millage rate at the existing 8.3144, and increased property values providing the necessary revenue growth to fund increases in operational expenses.

## **Supervisor of Elections (060)**

#### Fund Type: General Fund

The Supervisor of Elections Fund is a general fund established as part of the FY 2002 budget process. The Supervisor of Elections requested their appropriation be established in a separate fund to provide discrete accounting of their budget. The revenue is transferred from the General Fund. At the conclusion of the fiscal year, any funds available in the Supervisor of Elections fund are returned to the General Fund as excess fees.

#### Notes:

The Supervisor of Elections budget varies year to year depending on the election cycles. Funding for the Supervisor of Elections increases for Presidential Preference Primary elections cycles and decreases in general election and off year election cycles. The upcoming FY 2024 cycle includes a presidential election.

In addition, the Florida Legislature enacted new voter verification requirements for felony research by each Supervisor of Elections office requiring an increase in personnel costs as additional staff are needed to conduct the research.

## **Transportation Trust (106)**

#### Fund Type: Special Revenue

The Transportation Trust Fund is a special revenue fund established by F.S. 129.02(2). Major revenue sources for the Transportation Trust Fund include proceeds from local and state gas taxes. Leon County imposes a total of twelve cents in gas taxes. The County Ninth-Cent, Local Option and Second Local Option are local county taxes. Of those, the Local Option and Second Local Option revenues are split 50/50 with the City of Tallahassee. The 20% Surplus, 5th & 6th Cent and Gas Tax Pour-Over Trust are State gas tax revenues. The fund is used to account for resources dedicated and expenditures restricted to the maintenance/construction of roads and bridges Actual Adopted Requested Budget Planned P

#### Notes:

Gasoline taxes are estimated to increase by 2% or \$252,795. This is largely due to gas tax collections starting to approach pre-COVID levels as the economy rebounds. Prior to COVID, gas taxes, which are consumption based (taxes are per gallon, not a percentage of cost), were only slightly increasing year-over-year due to better vehicle fuel efficiencies and an increase in the use of hybrid and electric vehicles. While gas taxes are still slightly below pre-COVID collections they are only expected to increase moderately in outyears. This is largely due to the volatility in the market for crude oil and the shift in consumers driving more fuel-efficient or electric vehicles.

When originally approved for collection beginning January 2014, the second local option gas tax was split 50/50 for sidewalk projects and general transportation maintenance. In FY 2019, this gas tax was approved for reallocation to stormwater projects for two years (FY 2020 and FY 2021) to fix chronic flooding problems on county roads. However, in the FY 2021 budget, due to COVID and subsequent budget balancing strategies for FY 2021, sidewalk funding was suspended, and transportation and stormwater funding were reduced with sidewalk funding being budgeted solely from Sales Tax Extension (352) funds. The second local option gas tax returned to being split 50/50 between sidewalks and transportation maintenance in FY 2022.

In FY 2021, Leon County received \$57.02 million in America Rescue Plan Act (ARPA) funding which allowed for local governments to use of a portion on revenue loss recovery. As part of the FY 2022 budget process, the Board allocated \$2.7 million in revenue loss recovery funding to the Transportation Capital Fund for critical road/flood projects delayed because of the pandemic including Baum Road, Ben Boulevard, Miccosukee Road Bridge Replacement and Maylor Road.

A review of fund reserves in FY 2023 indicated that \$3.9 million in Transportation Trust fund balance above policy minimums were available to support the transportation capital program. To ensure infrastructure improvements continue and heavy equipment and vehicle purchases are not delayed due to supply chain issues, this funding was advanced in FY 2023. This fund sweep allowed for a \$1.3 million reduction in general revenue support for the transportation program for FY 2024 and decreased the transfer to the Transportation Capital Fund from \$2.8 million in FY 2023 to \$414,016 in FY 2024.

## **Fine and Forfeiture (110)**

## Fund Type: Special Revenue

The Fine and Forfeiture Fund is a special revenue fund established by F.S. 129.02(3) and F.S. 142.01. Major revenue sources for the County Fine and Forfeiture Fund include proceeds from ad valorem taxes and other miscellaneous revenues. The fund is used to account for revenues collected in support of and expenditures dedicated to criminal prosecution, court operations, and operations of the Sheriff's Department.

#### Notes:

The County maintained the countywide millage rate of 8.3144 for FY 2024. Additional information regarding this levy for recurring operating expenditures is located on the general fund page (Fund 001).

The largest expenditure appropriations in this fund are the Sheriff Law Enforcement and Detention budgets. The overall increase to the Sheriff's budget is 10.1% or \$9.5 million. In addition to normal personnel costs and contractual services increases, the budget includes the final year of implementation of a new compensation plan. The pay plan will accomplish competitive pay adjustments between Detention and Law Enforcement as well as increase the starting pay for sworn staff to \$50,000. In addition, while not an increase to the overall County budget, for accounting and administrative efficiencies, some projects previously funded through the capital improvement program were transferred to the Sheriff's budget for projects that are managed by the Sheriff's Office. The Sheriff's contractual services increased over \$1.3 million largely due to the purchase of body cameras and increased cost of providing inmate food and medical services.

Other budget increases include personnel costs related to the Consolidated Dispatch Agency (CDA), of which the County pays 33% per the interlocal CDA agreement, and the County's statutory required payment to the State Department of Juvenile Justice.

## >>>> Probation Services (111)

#### Fund Type: Special Revenue

The Probation Services Fund is a special revenue fund established in support of the administration of County Probation programs. Major revenue sources for the Probation Services Fund include fees related to pre-trial costs, other probation related services, and a transfer from the General Fund. The fund is used to account for resources and expenditures related to the alternative Community Service Work Program, the Pre-trial Release Program, urinalysis testing fees and other County Probation programs and services.

## Notes:

The FY 2024 Probation Services revenues are estimated to be slightly lower than FY 2023 due primarily to early termination of sentences, a decrease in court ordered GPS electronic monitoring and withheld adjudications for offenders unable to afford fees. These declines are offset by estimated increases in Probation supervision and community service fees, which allowed for a slight decrease in the general revenue subsidy to the fund from \$3.52 million in FY 2023 to \$3.46 million in FY 2024. The general revenue subsidy is anticipated to increase to \$3.8 million by FY 2028 due to revenues remaining relatively flat and continuing increases in program expenditures.

The decrease in FY 2024 expenditures is due to fluctuations in personnel and operating costs due to employee turnover.

## >>>> Teen Court (114)

## Fund Type: Special Revenue

Effective July 1, 2005, the Board of County Commissioners authorized a \$3 fee be imposed for certain Court proceedings; the revenue will be used to support the Teen Court program.

#### Notes:

The FY 2024 Drug Court revenues are estimated to be slightly higher than FY 2023 due to court related programs resuming to normal participation levels since the COVID pandemic. Available Drug Abuse Trust fund balance is used to support the program in FY 2024 and FY 2025. The outyears reflect a deficit in supporting program expenditures as fund balance will be depleted in FY 2025. A reduction in services may need to be considered if revenues do not increase to support the program.

## >>>> Judicial Programs (117)

#### Fund Type: Special Revenue

On June 8th, 2004, the Board of County Commissioners authorized the imposition of a \$65.00 criminal violation court costs. In accordance with Florida Statutes and the enabling County Ordinance, the proceeds from the \$65.00 fine are to be used as follows: 25% to supplement State funding requirements related to the implementation of a Statewide court system or to pay for local requirements; 25% to be used to fund legal aid programs; 25% to be used to fund law library personnel and materials; and 25% to be used to fund alternative juvenile programs. At the end of the fiscal year, any fund balance remaining shall be utilized in subsequent fiscal years for the funding of either the State or local requirements.

## Notes:

A decrease in revenues for court required programs are necessitating the use of accumulated fund balance to support these programs. The current use of fund balance is within policy limits. However, the outyears show only nominal increases in revenue and a continued use of fund balance to support programs. A reduction in programs may need to be considered if revenues do not increase to support these discrete programs.

## **Building Inspection (120)**

#### Fund Type: Special Revenue

The Building Inspection Fund is a special revenue fund established to account for fees collected on building permits issued within the unincorporated area of Leon County. The fees are used to fund the operation of the Building Plans Review and Inspection Division.

#### Notes:

In February 2022, the Board adopted a revised fee schedule based on a 2021 building plan review and inspections fee study. The study found that overall permit costs were commensurate with the services provided but recommended a revenue-neutral transition to a flat fee structure and the implementation of a technology fee to support demands for greater digital services.

For FY 2024, revenues reflect a 17% decrease from FY 2023 based on a stabilization of growth in permitting activity following the low interest rate environment enacted by the Federal Reserve to combat the impacts of the COVID pandemic on the economy. Consumer demand and supply chain shortages in the post COVID economic recovery caused high inflation, which was countered by the Federal Reserve increasing interest rates. These increased rates then slowed building construction loans and mortgages which in turn results in building permitting activity subsiding. To address these declines, staffing levels will be managed to meet current demand for services.

To ensure Building Inspection continues to provide prompt permitting services, \$937,201 in fund balance is budgeted in FY 2024. As the outyears reflect only nominal increases in revenues, to keep the Building Inspection fund self-sustaining, staffing levels will be adjusted to meet the current demand for services.

#### Notes:

In FY 2024, permit fee revenue is estimated to decrease over FY 2023 reflecting a stabilization of growth in environmental permitting after the low interest rate environment established by the Federal Reserve as a tool to ameliorate the affects of COVID on the economy. Due to the decline in revenue, the general revenue subsidy increased by \$1.2 million in FY 2024. The outyears reflect general fund support increasing incrementally to maintain service levels and is anticipated to increase up to \$3.7 million in FY 2028.

# Stormwater Utility (123)

#### Fund Type: Special Revenue

The Stormwater Utility Fund is a special revenue fund established in support of the administration of the unincorporated areas Stormwater Maintenance, Engineering, Facility Improvements, and Water Quality Monitoring programs. Major revenue sources for the Stormwater Utility Fund include: the non ad valorem assessment for stormwater utility and non-restricted revenues (i.e. local half-cent sales, State revenue sharing, etc.).

Notes:

In FY 2014, the County implemented the first increase to the stormwater non ad valorem assessment in 23 years from \$20 to \$85 for each single-family equivalent unit. This allowed for the general revenue subsidy to decrease by \$2.5 million. As specified in the adopted ordinance, the current general revenue subsidy covers the cost of the fee discount for low-income seniors, disabled veterans and properties that receive a stormwater credit discount. The remaining general revenue transfer covers the operating deficit in the program. The transfer of \$800,000 from the Transportation Trust fund provides funding for stormwater maintenance activity related to roadways.

The increase in general revenue support in FY 2024 is related to no growth in the non-ad valorem fee due to the issuance of more stormwater credit discounts and increases in program expenditures. These expenses include inflationary costs associated with fuel and vehicle repair costs. As presented to the Board at the June 20, 2023 Budget Workshop, to ensure the continued long-term fiscal viability of the County and eliminate the general revenue subsidy, a stormwater fee study is intended to be conducted in FY 2027 and considered as part of the FY 2028 budget process.

Additionally, a review of fund reserves in FY 2023 indicated that \$946,212 in fund balance above policy minimums was available to support stormwater infrastructure and preventative maintenance capital improvement projects. To ensure infrastructure improvement projects continue and are not delayed due to supply chain issues, this funding was advanced in FY 2023.

#### Notes:

The State Housing Initiatives Partnership (SHIP) program allocated \$1,135,109 for local housing programs to Leon County during the FY 2023 legislative session. The increase in SHIP funding is expected to remain consistent in outyears due to major changes in statutory minimums awarded to jurisdictions.

In FY 2024, a portion of the SHIP funding (\$283,135) will be allocated towards affordable multifamily dwellings which can be used to match and leverage state and federal bond financing programs.

# **)** Grants (125)

#### Fund Type: Special Revenue

The Grants Fund is a special revenue fund established to account for grants that are consistently received on an annual basis. The fund also accounts for other restricted revenues such as Friends of the Library and the Driver Education funding. As new grants are received during the fiscal year, appropriate action is taken by the Board of County Commissioners to realize these additional grant proceeds into the budget. This fund includes the corresponding County matching funds for the various grants.

#### Notes:

Grant program expenditures for Emergency Management and the Storage Tank Program are greater than the grant allocations, which require nominally increasing the general revenue transfer to maintain program service levels. Since 2012, the Board has allocated additional funding for the Storage Tank Program to ensure all local petroleum facilities are inspected on an annual basis, which is in excess of the Florida Department of Environmental Protection's 50% requirement.

As allowed by the Dori Slosberg Driver Education Safety Act, the Board amended the Leon County Code of Laws related to civil traffic penalties at the January 28, 2020 meeting and increased the civil traffic penalty from \$3 to \$5 to support high school driver education programs. The additional funding supports Leon County Schools' Drivers Education Program.

### >>>> Non-Countywide General Revenue (126)

#### Fund Type: Special Revenue

The Non Countywide General Revenue Fund is a special revenue fund originally established as part of the FY 2002 budget process. Prior to FY 2002, the 1/2 Cent Sales Tax, State Revenue Sharing, and other unrestricted resources were directly budgeted into the specific funds they supported. Beginning in FY 2002, the revenues were brought into this fund and budgetary transfers were established to the funds supported by these revenues. This approach allows for the entire revenue to be shown in one place and all funds being supported to be similarly reflected. These revenues are not deposited directly into the General Fund in order to discretely show support for activities not eligible for Countywide property tax revenue.

#### Notes:

The State Shared and ½ Cent Sales Tax revenues have rebounded from the precipitous decline in FY 2020 and are estimated to generate an additional \$1.4 million from the FY 2023 budget.

Effective July 1, 2021, internet sales retailers and marketplace providers with no physical presence in Florida were required to collect the Florida sales tax on sales of taxable items delivered to purchasers in Florida if the out-of-state retailer or marketplace provider makes a substantial number of sales into Florida.

The Communication Services Tax (CST) had been in decline statewide the past five years due to a decline in cable services as consumers "cord cut" in favor of streaming, and certain demographics and small businesses abandoning telephone landlines; however, FY 2024 revenues estimate an increase of \$213,750 from FY 2023.

# **W** Grants - Interest Bearing (127)

#### Fund Type: Special Revenue

This fund was established independently of the reimbursement grant fund (Fund 125) in order to post interest to grants as may be required by the grant contract and/or special endowment.

#### Notes:

For FY 2024, revenue for this fund is projected to increase slightly. This trend is anticipated to continue in outyears until a base level of landlines is reached as consumers continue to switch from landlines to wireless devices. The fund reflects a transfer from the 9-1-1 Capital Project fund to maintain current service levels.

# Merican Rescue Plan Act (ARPA) (137)

The American Rescue Plan (ARPA) Fund is a special revenue fund established to account for funding provided by the Federal Government to remedy the increasing costs to provide critical local government services and the decline in revenues as a result of the COVID pandemic.

#### Notes:

In May 2021, Leon County received \$57.02 million in ARPA funding. Accordingly, as part of the FY 2022 budget process, the Board approved a multi-year ARPA expenditure plan. The plan provided funding to address community nonprofit and human services assistance, public health support, targeted support for the local business community, and funding to complete major wastewater projects.

The expenditure plan also allocated \$25.5 million in ARPA revenue replacement to mitigate revenue losses incurred by the County due to the pandemic. For FY 2022, the Leon County revenue loss was calculated at \$6.4 million, of which \$2.8 million was used to support general government services and \$3.6 million was allocated to support the capital program. For FY 2023, Leon County revenue loss was calculated at \$8.91 million. Of the \$8.91 million, \$2.8 million was transferred to the General Fund (Fund 001) to support general government services and \$6.16 million was allocated to support the capital program.

The remaining \$2.15 million in ARPA funding was allocated in FY 2024 to support the capital program. To ensure some capital projects are not delayed due to current supply chain difficulties, especially with vehicles and construction materials, this funding was appropriated in FY 2023.

# **Municipal Services (140)**

#### Fund Type: Special Revenue

The Municipal Services Fund is a special revenue fund established in support of various municipal services provided in the unincorporated area of Leon County. These services include: parks and recreation, and animal control. The major revenue sources for the Municipal Services Fund are transfers from the Non-Restricted Revenue Fund (i.e. State revenue sharing, the local cent sales tax, etc.) and the Public Services Tax.

Notes:

For FY 2024, Public Services Tax (PST) revenues are projected to remain level with a modest \$29,523 increase. With more residents at home using utilities, the PST was not affected by COVID stay-at-home orders like other sources of revenue such as gas taxes and tourism taxes. Expense increases to the fund are primarily related to inflationary operating costs of trail, playground and ballfield maintenance, increase acreage for mowing contracts, and tree trimming on greenway and park trails.

The transfer to Fund 305 (the Capital Improvement Fund) was reduced by \$417,600 from the previous fiscal year (\$1.03 million in FY 2023 to \$614,622 in FY 2023). This is part of the total \$6.7 million general revenue transfer to the capital fund. The remaining transfer is from the General Fund.

As part of the Sales Tax Extension, \$500,000 was approved to be used to maintain parks constructed with previous local infrastructure sales tax dollars. This is a level transfer from the Sales Tax Extension JPA Fund (Fund 352) that will occur until 2039.

### **Fire Rescue Services (145)**

#### Fund Type: Special Revenue

The Fire Services Fund is a special revenue fund established in FY 2010 as a method to fund enhanced fire protection services in the unincorporated area of Leon County. The funding is derived from a fire service fee levied on single family, commercial and governmental properties in the unincorporated area of the County. Homes are charged a flat rate, and commercial and governmental properties pay per square foot. Square footage associated with the worship area of a church is excluded from the fee. In addition, the County provides support to the Volunteer Fire Departments.

#### Notes:

With the implementation of the fire service fee the City initially billed all affected properties in the unincorporated area. In FY 2010, the Board approved placing this assessment on the tax bill for property owners who did not pay the fee via the established billing system. As reflected above, direct billing by the City of Tallahassee is the primary source for the collection for this fee, but non-ad valorem assessment collections continue to increase as property owners become delinquent in their payments or choose to have their fee placed on the tax bill.

Most of the revenue increase is related to the implementation of the new fire services fee to adequately fund the County's share of the Fire Department as approved at the April 25, 2023 Budget Workshop and later ratified at the May 9, 2023 Board meeting. Increasing the fire services fee eliminates the general revenue subsidy that was provided to assist funding these services over the previous two years.

#### Fund Type: Special Revenue

The Tourism Fund is a special revenue fund established as the repository for the collection of the 5% Local Option Tourist Development Tax on transient lodging sales in Leon County (bed tax). Expenditure of these revenues, as limited by law, is to support tourist development initiatives. Annual reserves for contingencies are supported by available fund balance. This amount will be determined on an annual basis as part of the budget process.

Notes:

The fiscal impact of COVID on Tourism was significant. Tourist Development Tax (TDT) revenue declined by 33% in FY 2020 after the onset of COVID restrictions in April 2020. With the removal of stay-at-home orders and the availability of vaccines, TDT collection began increasing in March 2021. At the June 8, 2021 meeting, the Board allocated \$750,000 in American Rescue Plan Act (ARPA) revenue loss replacement funding to Tourism for marketing and advertising activities.

Leon County's tourism revenue continues to increase after the subsidence of COVID and a restoration of normal travel activities. In addition to events that attract overnight stays, Leon County has seen an increase in available rooms related to the construction of new hotels near the universities and the interstate. Also, the average room rate has increased as demand and inflation drive the hotel rates which results in greater tourism revenue collection as the tourist tax rate is collected as a percentage of a hotel room's cost.

Expenditure increases reflect more funds for the COCA cultural grant programs, as well as additional resources for the Division of Tourism marketing efforts and costs associated with the Leon County/Tallahassee bicentennial celebration in FY 2024 and the 2026 World Athletics Cross Country Championship at Apalachee Regional Park. To begin preliminary programming efforts for these events, \$291,318 in dedicated Tourism fund balance was appropriated in FY 2023.

### Special Assessment - Sewer (164)

#### Fund Type: Special Revenue

This Special Assessment Fund was established to account for revenues and expenditures associated with the special assessment levied on property owners to pay for the costs associated with maintaining the new City of Tallahassee sewer service distribution system. These assessments are collected and remitted to the City of Tallahassee in accordance with interlocal agreements with the City of Tallahassee. Areas include Killearn Lakes Units I and II completed in October 2006 and each parcel within Units I and II is levied at \$179.43. Annawood subdivision was completed in 2022 and is levied on eight units.

#### Notes:

Funding is allocated for general building maintenance and repairs including renovations, mechanical and electrical upgrades, and safety improvements at the Leon County Courthouse Annex. Specific project details are in the Capital Improvements Project Section. In addition, FY 2024 and outyear transfers reflect utility payments to the General Fund (001).

The increase in lease revenue is due to the addition of two new leases in FY 2024. The decline in outyears reflects the programmed expiration of leases, which may or may not be extended or renegotiated. Revenue is only contemplated when a lease is active. FY 2025 through FY 2028 reflect the use of accumulated fund balance to support expenditures, however, based on current leasing trends, it is anticipated that leasing revenue will continue to increase. If lease activity does not increase expenditure reductions and/or general revenue support may be needed as fund balance will be near depletion in FY 2028.

### When the Huntington Oaks Plaza (166)

#### Fund Type: Special Revenue

This fund was established to account for the maintenance of the Huntington Oaks Plaza purchased by the County in FY 2010 for the expansion of the Lake Jackson store front library and the construction of a community center. Revenue from this fund is derived from lease payments from space rentals and are used for maintaining the property.

#### Notes:

FY 2024 and FY 2025 reflect a steady level of anticipated rents to support operating expenditures. The expenditure transfers are utility payments to the General Fund (001) for building utilities.

The decline in outyear lease revenue is due to programmed expiration of leases, which may or may not be extended or renegotiated. Revenue is only contemplated when a lease is active; however, based on current leasing trends, it is anticipated that leasing revenue will continue to increase. If lease activity does not increase expenditure reductions and/or general revenue support may be needed starting in FY 2026.

# >>>> 2017 Capital Improvement Revenue Refinancing (222)

#### Fund Type: Debt Service

The Debt Series 2014 Fund is a debt service fund established to account for the debt service associated with the refinancing of the non taxable portion of the Capital Improvement Revenue Refunding Bond Series 2005 with a bank loan. The original bond was issued to fully refund the Parks and Recreation Bond Series 1998A, a portion of the Stormwater Bond Series 1997 and a portion of the Capital Improvement Revenue Bond Series 1999.

#### Notes:

The Bond Series 2020 Capital Equipment Financing Fund was established in FY 2020 to pay the debt service payment for a new Sheriff helicopter over a six-year term. Funding for the repayment of the debt service is split evenly between the County and the City of Tallahassee. The County bills the City for their half of the debt service payment.

# Supervisor of Elections Building (224)

#### Fund Type: Debt Service

The Bond Series 2021 Fund is a debt service fund for the Supervisor of Elections Voting Operations Center Building. The purchase and building improvements was made from loan proceeds to be paid back over 15 years. The repayment of the loan is established in a debt service fund beginning in FY 2022 to coincide with the first debt service payment due on December 1, 2021.

# SCO Lease (225)

#### Fund Type: Debt Service

The ESCO Lease Fund is a debt service fund established to account for the debt service associated with the obligations relating to the County's Energy Performance Contract with Energy Savings Group (ESG). This lease was entered into to fund upgrades and replacements of critical building infrastructure at County facilities, including the Detention Center, Courthouse and Sheriff's Administration building relating to the County's Energy Performance Contract. These energy efficiency improvements will offset the cost of the lease. Energy Savings Group will pay any balance on the lease not offset by these energy cost savings.

# >>>> Capital Improvements (305)

#### Fund Type: Capital Projects

The Capital Improvements Fund is a capital project fund established in support of the County's Capital Improvement Program. A major revenue source of the Capital Improvement Fund is a transfer from general revenue dollars. The fund is used to account for resources and expenditures associated with the acquisition or construction of major non-transportation related capital facilities and/or projects other than those financed by Proprietary Funds.

Notes:

The FY 2024 – FY 2028 Capital Improvement Plan is primarily focused on maintaining the County's infrastructure of buildings, roads, stormwater system, parks, information technology and fleet. In FY 2021, as part of the budget balancing strategies implemented in response to revenue losses associated with the COVID-19 pandemic, capital improvement projects were reduced or deferred. This allowed for the reduction in the general revenue transfer to the Capital Improvement Fund (305) from \$7.3 million in FY 2020 to \$5.0 million in FY 2021 and FY 2022; however, the FY 2023 transfer increased to \$8.18 million.

The FY 2024 general capital improvement program is \$6.8 million. In FY 2021, Leon County received \$57.02 million in America Recovery Plan Act (ARPA) funding which allowed for local governments to use a portion on revenue loss recovery. \$3.6 million of this funding was allocated to the Capital Fund for FY 2022, \$6.16 million in FY 2023, and another \$2.15 million for FY 2024. Using these remaining \$2.15 million in ARPA funds offsets the need to increase the general revenue transfer to capital, resulting in a reduction in the FY 2024 transfer to \$6.7 million.

A review of fund reserves in FY 2023 indicated that the County had \$11.8 million in available general revenue fund balances above the policy minimums that were available to support the capital program for the next two to three years. To ensure some capital projects are not delayed due to current supply chain difficulties, especially with vehicles and construction materials, the \$2.15 million in ARPA funding and the \$11.8 million in fund balances were appropriated in FY 2023. This funding will support projects associated with the purchase of County vehicles and heavy equipment, building improvements, Sheriff Facilities improvements, and stormwater infrastructure and park facility improvements.

For FY 2024, additional funding is allocated for IT infrastructure, improvements to critical facilities including the Public Safety Complex, and the Essential Libraries Strategic Initiative. The Essential Library Initiative is a process of re-envisioning the Leon County Public Library System to address the changing needs of residents and trends in library use. These funds are for space improvements to the Main Library.

FY 2025 shows the appropriation of the remaining fund balance reserves to assist in balancing the budget. Outyears reflect revenues returning to normal growth and the general revenue transfer increasing to \$18 million by FY 2027.

#### Fund Type: Capital Projects

The Transportation Improvement Fund is a capital project fund established to account for transportation related capital projects. Major revenue sources for the Transportation Improvement Fund include proceeds from local and state gas taxes from the Transportation Trust Fund (106). Leon County imposes a total of twelve cents in gas taxes.

Notes:

When originally approved for collection beginning January 2014, the second local option gas tax was split 50/50 for sidewalk projects and general transportation maintenance. In FY 2019, this gas tax was approved for reallocation to stormwater projects for two years (FY 2020 and FY 2021) to fix chronic flooding problems on county roads. However, in the FY 2021 budget, due to COVID and subsequent budget balancing strategies for FY 2021, sidewalk funding was suspended, and transportation and stormwater funding were reduced with sidewalk funding being budgeted solely from Sales Tax Extension (352) funds. The second local option gas tax returned to being split 50/50 between sidewalks and transportation maintenance projects in FY 2022.

In FY 2021, Leon County received \$57.02 million in America Rescue Plan Act (ARPA) funding which allowed for local governments to use of a portion on revenue loss recovery. As part of the FY 2022 budget process, the Board allocated \$2.7 million of this funding to the Transportation Capital Fund in FY 2021 for critical road/flood projects delayed because of the pandemic including: Baum Road; Ben Boulevard; the Miccosukee Road bridge replacement; and Maylor Road.

A review of fund reserves in FY 2023 indicated that \$3.9 million in Transportation Trust fund balance above policy minimums were available to support the transportation capital program. To ensure infrastructure improvements continue and heavy equipment and vehicle purchases are not delayed due to supply chain issues, this funding was advanced funded in FY 2023. As a result, the transfer to the Transportation Capital Fund decreased from \$2.8 million in FY 2023 to \$414,016. The remaining fund balance reserves are appropriated in FY 2024 to support the sidewalk program.

#### Fund Type: Capital Projects

The Local Option Sales Tax Fund is a capital project fund established in accordance with a 1989 county-wide referendum, and is used to account for resources and expenditures associated with the construction of transportation and jail facility related projects. The Local Government Infrastructure Surtax includes proceeds from a One-Cent Sales Tax on all transactions up to \$5,000. Pursuant to an interlocal agreement with the City of Tallahassee, the revenue generated by the tax will be split between the County and the City. The County's share of the proceeds is equal to 52.84%, and the City's share is equal to 47.16%. The 1989 referendum approved the sales tax levy for a period of fifteen years; however, through a county-wide referendum passed in November 2000, the sales tax was extended for an additional fifteen years (Note: the extended sales tax is accounted for in Fund 309).

#### Notes:

The current 1-Cent Local Option Sales Tax expired in 2019. On November 4, 2014, Leon County residents approved a ballot initiative to extend the sales tax for another 20 years until 2039. In FY 2020, two new funds (351 and 352) were established for the new sales tax extension that went into effect on January 1, 2020. Previous projects assigned to this fund were moved to Fund 351. This fund is still open due to the accumulated funds in the intersection and safety improvement project and maintenance needs at the Sheriff Facilities.

### Sales Tax - Extension (309)

#### Fund Type: Capital Projects

In November of 2000, Leon County residents approved a referendum extending the imposition of the 1 Cent Local Option Sales Tax beginning in FY 2004 for 15 years. The extension commits 80% of the revenues to Blueprint 2000 projects and will be jointly administered and funded by Leon County and the City of Tallahassee. The remaining 20% will be split evenly between the County and the City. The County's share will be used for various road, stormwater and park improvements. The Blueprint 2000 Joint Participation Agreement Revenue supports County projects funded through the County's share of the \$50 million water quality/flooding funding.

#### Notes:

The current 1-Cent Local Option Sales Tax expired in 2019. On November 4, 2014, Leon County residents approved a ballot initiative to extend the sales tax for another 20 years until 2039. Two new funds (351 and 352) were established for the new sales tax revenue beginning in FY 2020 to account for the projects that were programmed in this fund. This fund remains open for expenditures related to the Lexington Pond Retrofit project.

#### Fund Type: Capital Projects

The ESCO 2020 Capital Projects Fund was established in 2020 to account for energy saving loan proceeds and capital expenditures related to the installation of energy savings projects related to lighting, mechanical and water system upgrades primarily at the Courthouse and Detention Facility. A companion debt service fund (Fund 223) was established to fund the debt service for this capital financing loan.

### Notes:

Revenues are collected in the operating fund (Fund 130). FY 2024 and outyear transfers reflect support for maintenance of equipment for the E-911 System. Funds not utilized for operating the E 9-1-1 System are transferred at fiscal year-end to the capital fund for future expenditure on capital upgrades.

# Sales Tax - Extension 2020 (351)

### Fund Type: Capital Projects

In November 2014, Leon County residents approved a referendum providing a second extension of the 1998 imposed 1-Cent Local Option Sales Tax beginning in FY 2020 for 20 years. The extension commits 80% of the revenues for Blueprint 2020 infrastructure projects, Blueprint 2020 Economic Development Programs, and Livable Infrastructure For Everyone (L.I.F.E.) projects. The remaining 20% is split evenly between the County and the City. The County's 10% share, accounted for in this fund, will be used for transportation resurfacing and intersection improvement projects and other statutorily authorized uses approved by the County Commission.

### Notes:

This fund was established to account for the County's 10% share of the sales tax extension starting January 1, 2020. The first year of collections was affected by COVID and the associated drop in consumer spending starting in March 2020. The FY 2024 revenue estimates reflect sales tax collections growing from FY 2022 and FY 2023 as the economy continues to rebound and consumer spending increases. Outyear projections reflect slower economic growth as consumer spending returns to more normal levels.

The 10% share supports the County's annual road resurfacing, OGCM maintenance and intersection/safety capital projects.

# Sales Tax - Extension 2020 JPA Agreement (352)

### Fund Type: Capital Projects

In November 2014, Leon County residents approved a referendum providing a second extension of the 1-Cent Local Option Sales Tax beginning in FY 2020 for 20 years. The extension commits 80% of the revenues for Blueprint 2020 infrastructure projects, and will be jointly administered and funded by Leon County and the City of Tallahassee. The Blueprint 2020 Joint Participation Agreement Revenue supports County projects funded through the County's share of the sales tax extension. The BP 2020 JPA revenue, accounted for in the fund, will be used for Water Quality and Stormwater, and Sidewalks. The fund also accounts for the 2% portion of the fund dedicated to Liveable Infrastructure For Everyone (L.I.F.E.) projects.

### Notes:

On November 4, 2014, Leon County residents approved a ballot initiative to extend the current 1-Cent Local Option Sales Tax for another 20 years until 2039. This fund has been established to account for the 2% sales tax share dedicated to the L.I.F.E. program, and the County's share of the Blueprint JPA revenue.

For FY 2024, Sales Tax Extension revenue estimates continues to show a rebound from the reductions due to the impacts the COVID pandemic had on consumer spending. As consumer spending returns to more normal levels, outyear projections reflect slower economic growth. The Blueprint JPA revenue is consistent in FY 2024 and the outyears since this is a lump sum payment from Blueprint specified in the interlocal agreement.

Sales Tax Extension projects in FY 2024 include the Sidewalk program, Water Quality and Stormwater improvements, and L.I.F.E. projects (Rural Road and Safety improvements, Miccosukee Sense of Place, Street Lighting, Transportation Safety and Neighborhood Enhancements, Boat Landing, and Recreational Amenities). In addition, the \$500,000 transfer to the Municipal Services Fund (Fund 140) will assist in funding the maintenance of parks constructed with previous local infrastructure sales tax dollars.

# Solid Waste (401)

### Fund Type: Enterprise

The Solid Waste Fund is an enterprise fund established in support of the County's waste management programs. Major revenue sources for the Solid Waste Operations Fund include the Non-Ad Valorem Assessment, and Transfer Station Tipping Fees. The fund is used to account for resources and expenditures related to the operation of the County Solid Waste Management Facility and the provision of the County Waste Management program.

### Notes:

The Solid Waste fund is an enterprise fund and is supported by a non-ad valorem assessment and tipping fees collected at the Transfer Station. During the FY 2020 budget process, the Board adopted a multi-year fiscal plan that reallocated \$4.1 million in FY 2021 debt services savings to avoid future tax and fee increases for as long as possible.

The plan allowed for the elimination of the rural waste center collection fees and avoided the need to raise the non-ad valorem assessment. For FY 2021, the plan called for the reallocation of \$1.11 million in debt service savings to the solid waste fund to support the Rural Waste Service Centers and the recycling contract. This general revenue transfer increased to \$1.65 million and \$1.81 million in FY 2022 and FY 2023, respectively.

For FY 2024, the general revenue transfer increased to \$2.7 million and continues to support recycling, and the rural waste collection centers. The increase in revenue and expenses for the Transfer Station is related to a contractual increase in hauling and disposal rates associated with transferring waste from the transfer station to the regional landfill in Jackson County. FY 2024 capital funding is included for Solid Waste Facility, Transfer Station and Rural Waste Heavy Equipment Replacements and Transfer Station Improvements.

As presented to the Board at the June 20, 2023 Budget Workshop, the \$40 non-ad valorem assessment no longer pays the full cost of disposing of solid waste or operating the rural waste service centers. To ensure the continued long-term fiscal viability of the County and eliminate the general revenue subsidy, a solid waste fee study is intended to be conducted in FY 2025 and considered as part of the FY 2026 budget process.

### Notes:

The FY 2024 insurance budget reflects an increase to properly fund the County's insurance premium coverages for property and general liability. Leon County continues to have an aggressive safety and risk avoidance program, which has resulted in reduced workers compensation costs for Leon County Government in FY 2024. This reduction is offset by an increase in workers compensation claims for the Sheriff.

# >>>> Motor Pool (505)

### Fund Type: Internal Services

The Motor Pool Fund is an internal service fund established to account for the costs associated with operating and maintaining the County's fleet of vehicles and heavy equipment. This internal service fund generates its revenues from direct billings by the Fleet Management Department to other departmental users. Fuel purchased by the Fleet Management Department is supplied to departmental users at cost plus a minor surcharge. Repairs and maintenance performed by the Fleet Management Department are charged to users at the costs of parts plus an applicable shop rate.

Notes:

The FY 2024 increase in this fund reflects the inflationary growth in the costs of parts to maintain the County fleet and a modest increase in the overall projected cost of fuel. Most of this increase is attributed to the purchase of fuel at the Sheriff's fueling station. In previous budget years, the Sheriff purchased and paid for fuel directly. However, for accounting and administrative efficiencies, all County and Sheriff fuel is now purchased by the County. This increase is offset by a corresponding reimbursement revenue from the Sheriff.

Notes:

Property valuations increased 7.87% for the FY 2024 budget. In addition to the increase in property values, the growth in the MSTU revenue reflects the increase in the millage rate from 0.50 to 0.75. During the FY 2024 budget process, the Board approved the planned millage rate increase to eliminate the general revenue subsidy to the EMS fund. Additionally, the 0.75 millage rate in FY 2024 provides for reserves to support future increased staffing and equipment requirements for the program over the next five years.

In FY 2024, most of the increase in expenditures is related to the planned replacement of aging ambulances in the EMS fleet. Last year, ambulances were advance funded to ensure that orders for new ambulances could be made as manufacturers dealt with a backlog of orders. By advance funding the ambulances the cost was not reflected in the adopted budget. This funding is returned to the normal budget cycle for FY 2024. In addition, to maintain current service levels and ensure adequate resources are available for increased call demand, the FY 2024 budget includes eliminating part-time paramedic positions to fund eight full time positions. Additional increases are associated with special pay stipends, inflationary costs of EMS contracts and medical supplies.

# NOTICE OF PROPOSED TAX INCREASE
